

56 Crawford Dr, Dundowran

Room With A View

Situated at the top of the drive and overlooking the estate to have water views to the North makes for very pleasant living. Even better is having a space off the main bedroom as the Parent's retreat or nursery to give a 180degree view.

This home is making great use of the 1143m2 block to have the front areas set aside for outdoor living in most weather conditions.

Inside the front door is a study/office with polished timber floors and half wall open to the lounge room. Tiled flooring is predominant in the living areas and carpet in the bedrooms. 2 builtin bedrooms plus a utility room or nursery as well as the family bathroom and toilet and laundry take up one end of this bottom level . Make sure you have time to enjoy a good soaking in the French bathtub.

The kitchen is very stylish and accessed from the lounge as well as being open planned with the dining room at the front to enjoy the view. Gas cooking, dishwasher, pantry, plus utility cupboard and other storage add to the functionality for the cook.
